The dog will have most, if not all requirements needed to fit in with your environment and also that of the dog.
All dogs/bitches, where appropriate, will be neutered before rehoming or new owner will be required to neuter at the correct time.
Insurance cover is highly recommended as veterinary treatment can be very expensive. The Law requires 3rd Party Insurance to be in force.

If you rehome a Welfare dog please remember time and patience is all-important to ensure a dog settles into its new home. Socialisation and training will possibly be needed, so please take this into consideration.

To be able to continue our work, the RWA needs support. We are often asked about donation fees on average we receive between £150 to £200 and all donations help with kenneling, Veterinary Treatment and special care needed for some of our dogs.

We are a non-profit making organisation that is run by volunteers in time available to them.

BEFORE COMPLETING PLEASE NOTE THE FOLLOWING

- 1 The Rottweiler is a large, strong, intelligent and determined dog which, like all dogs needs to be trained properly and controlled at all times.**

- 2 No one should own a Rottweiler if he/she is not absolutely sure that they can control such a dog, and are willing and able to devote time and effort to teach the dog good basic manners.**

- 3 The Rottweiler has a natural guarding instinct without being encouraged to be aggressive. NO owner should take the action to encourage the Rottweiler's natural guarding instincts.**

- 4 No Rottweiler should be in the sole charge, even for a limited period of time, of a person e.g. child who is not capable of controlling it, either physically or mentally.**

- 5 When taking a Rottweiler, or any other dog out in public, it is of paramount importance to show consideration for other people, animals and livestock.**

- 6 Any person who owns a dog should be aware that he would be devoted to and feel protective towards his household. This should be borne in mind when children are playing, people arguing or visitors are calling.**

- 7 Third party insurance should be taken out on any Rottweiler that you own. Your local representative will be happy to advise you on this matter.**

I/We have read and understand the above
