

Rottweiler Welfare Bi-Annual Round-Up

Lockdown 2020 and Beyond

Impact of Covid-19

Hello to all our lovely members, followers, volunteers, and donators.

I hope this finds you all well and keeping safe.

Due to the circumstances we all find ourselves in we do not have much news to tell. So instead of our half yearly newsletter we thought we'd update you via social media.

Sheila and Andy have been very busy, refurbishing the Kennels making the most of the weather and lack of movement with the dogs. The dogs are loving their new look homes.

Jenni has been raising much needed fund through auctions and raffles. Following the loss of our normal free food supplier for the dogs due to COVID 19 and lockdown she has done a sterling job acquiring much needed free food supplies.

We also had a very generous donation from one of our members towards the cost of food when our 'free food' initially stopped without warning.

I would like to thank everyone who has renewed their membership, 200 club and joined the Share and Care, also for the continued donations we are receiving especially when we are unable to attend any of our fund raising events.

When all the Governments restrictions are eased, and it is safe to carry out home checks we will start rehoming our dogs – hopefully this won't be too long.
